## Daily Schedule

### **Team Meetings**

Students and teachers meet as a group (our team!) twice a day to plan activities, share ideas, introduce new concepts, read books, sing songs, and of course, laugh!

### **Work-Play Time**

Learning centers are set up throughout the room for the children to enjoy. Children have hands-on experiences and experiment as they choose. Interest areas include: math, science, literacy, art, block and dramatic play.

### **Small-Group Time**

Children break up into small groups for a more focused, yet fun learning experience.

### **Gym and Outdoor Time**

This is time to run and jump, play games, or explore nature.

### **Snacks**

We provide daily nutritious snacks and 100% fruit juice or milk. A prayer of thanks is said for the gift of the food.

## Philosophy

The Growing Place Preschool at Fox Valley Presbyterian Church serves three, four, and five year old children and their families by providing a warm and nurturing early childhood education experience.

The atmosphere of our preschool is designed to support your child's growth and development. The curriculum is carefully planned to stimulate curiosity and creativity. Age appropriate activities are used to support all areas of learning including literacy, math, science, and social skills. Experiences, both indoors and out, promote problem solving and questioning and encourage further investigation in your child's areas of interest.

Our school embodies the values of our Christian faith, but is open to and respectful of all faith traditions.
